

Become a sponsor for the Sound of North

Local sponsorships show that you help support the community. Your sponsorship of the Sound of North keeps 140+ kids active in a group that develops leadership, teamwork and time management skills. Your sponsorship will help support all the activities that the band is involved in throughout the marching season and entire school year. Your sponsorship helps support the entire Columbus North Band program including the marching band, three concert bands, and three jazz bands.

These bands have been finalists in state competitions as well as performing nationally and internationally. Through sponsorship, your company will have direct advertisement exposure visible to thousands of people.

For information or to become a sponsor contact Paul Gloeckner at pglcknr@gmail.com.
